## DISCOUNT AND TRADE INFORMATION

----

RA Land Rovers offer trade accounts and discounts to selected customers.

### Trade Accounts

We offer a reduced price list to genuine businesses and sole traders working in the automotive industry with Land Rover vehicles. To register your interest, send an email to [sales@ralandrovers.co.uk](mailto:sales@ralandrovers.co.uk) with your company/business details and we will contact you with more details. Trade prices are not a set global discount, each part has its own trade price and will be quoted/invoiced accordingly. There is no minimum cost or quantities on trade pricing, providing regular and reasonably sized orders are made.

### Club and Blue Light Discounts

We currently offer a discount to members of Land Rover clubs, Armed Forces and Blue Light Card holders. Current eligible clubs are listed below. If you own/operate a club and wish to register for a discount, please contact us with an enquiry.
